Dear Alumni,

I am sure that you have all heard about the tragedy that happened on Tuesday 22nd February 2011, and the devastation brought by the strong 6.3-magnitude earthquake that has struck the city of Christchurch, with death toll increasing to 113 (as of 25 Feb) and probably more, with serious injuries, and significant damage to buildings, infrastructure, throughout the city.

As the New Zealand Prime Minister has mentioned, they are considering the Christchurch earthquake as the most serious disaster in the history of New Zealand.

Subsequently, today, I have received calls from MANZA, New Zealand Alumni, etc.

Following the recent floods in Australia, the MABC and MANZA held a joint event, and raised RM126,000.00

With New Zealand Alumni, MNZCC and MANZA collaborating, we have established a dedicated bank account for the Ã¢Â€Âœ**Christchurch Earthquake Disaster Fund**Ã¢Â€Â•.

As one Victoria alumni emailed me today, setting out his gratitude for being a Colombo Plan Student many years ago, paid completely by the New Zealand government, and stating that he and some of his friends would like to find a way of Ã¢Â€Âœgiving back to New ZealandÃ¢Â€Â•, and they asked me if the MNZCC/NZ Alumni/MANZA could set up the special fund.

The details for the fund are as follows:

Name of the Account : **Christchurch Earthquake Disaster Fund**

Account Number : 142 5000 5676 050

CIMB Branch : CIMB Bank Berhad
1st Floor, Menara PNB
201-A, Jalan Tun Razak
50400 Kuala Lumpur
En. Shaharudin Sukaimi - Manager

My kind regards,

Richard Tankersley
