Dear Alumni and Friends in Malaysia

It was a pleasure meeting many of you at our recent Alumni and Friends events in Kuala Lumpur, Kuching, Sibu, Miri and Kota Kinabalu. Chancellor Dr John Wood and I were grateful for the kindness and support provided to us and the University during our visit.

I am writing to ask for your help in promoting the University of Canterbury to your family, friends and work colleagues living in Malaysia.

As mentioned at the alumni events, the University is participating in New Zealand education fairs in six cities throughout Malaysia from 25 July to 5 August. Ms Jean Williamson from our International Office, along with UCÃ¢Â€Â™s local education agents, will be available to talk to students interested in studying at UC. Students should bring their academic transcripts/school records and/or forecast results.

I would be grateful if you could pass this email and information to family, friends and work colleagues and encourage those with children considering overseas study to visit UC at the fairs below. Please visit www.canterbury.ac.nz/international for more information about studying at the University of Canterbury.
